Sodexo would like to recognize the members of this year's Student Board of Directors for the instrumental role they played in the planning, design, and implementation of our 2007-2008 Great American Road Trip resident dining promotion series.

Through the hands-on involvement of this dynamic group, we can proudly say that our campus dining programs, promotions, and initiatives are truly created "for students by students."

If you would like more information on how you can become a member of Sodexo's local, regional, or national Student Board of Directors, please visit [www.forstudentsbystudents.com](http://www.forstudentsbystudents.com)
